

TYDF Discretionary Grants

Introduction

The TY Danjuma Foundation provides discretionary grants to support prompt humanitarian response to emergencies and relevant short term interventions that fall within its areas of focus.

Goal

The overarching goal of the discretionary grants scheme is to ensure responsiveness by the Foundation to legitimate needs that arise between board meetings and before or after the annual call for concept notes.

Types of Projects Support by TYDF Discretionary Grants

Projects to be considered for discretionary grants must:

- all within the Foundation's focus areas (Health and; Education & Skills Training);
- clearly identify a problem, propose solutions and outline target beneficiaries;
- be rapid or short term with measurable outcomes and a concrete impact on communities;
- cost less than or equal to five million naira (N5,000,000.00); and
- support the work of the Foundation.

Organisations Eligible to Apply for Discretionary Grants

Applicants for discretionary grants must be:

- A not-for-profit organisation registered and working in Nigeria;
- Possess verifiable experience in one of the Foundation's focus areas; and;
- Willing to comply with all the Foundation's internal review processes.

Response to Discretionary Grants Applications by the Foundation

The Foundation will respond to each request within seven (7) working days of receipt of an application.

Post Implementation Reporting by Grantees

All successful grantees will be required to submit comprehensive narrative and financial reports of interventions to the Foundation within two (2) weeks of project completion.
